Result v Buxted Park – Thu 24th Apr

Another fantastic game against Buxted Park on 22nd Apr away again in perfect conditions, warm sun bathed the players and spectators and the green was looking a lot better and played a lot better than last year where they suffered from a lot of moss. That said the green played quite slowly as this was the first game of the season for them.

The game started to run away from us during the first half, but as always, the tide turned after tea and we fought back to close the gap but not quite enough and we lost by 10 points, the final score was Buxted Park 76 to our 66. Our winning and top rink was Martin G, Sue LP, Graham and Michael, well done you guys, you won by a convincing 8 shots. Thank you, Graham, for stepping in at the last minute.

Thank you to everyone who played and our spectators, we will try to get revenge when they play us at home on Sat 18th May, I'm sure it will be a good game.

Thank you to Captain David and the members of Buxted for hosting us and for making my jokes look good! I'm sure you'll appreciate how good mine are now, well maybe not!

The overall rink scores were (Peacehavcen scores column 1):

Rink 1 – 13 - 21
Rink 2 – 10 - 11
Rink 3 – 13 - 21
Rink 4 – 13 - 14
Rink 5 – 18 - 10
Total 67 – 77

Well done everyone
