A Hot Sunday Afternoon Hosted by The Drive Bowls Club, Hove.

Well done to the following players, who came and played today with me at the Drive Bowls Club, Anita, Peter T, Barry, Nelly & Peter, Nigel, Mary and Marsden, several of whom had never played on an artificial pitch before and as you might have guessed a little challenging but a learning curve too.

We had a wonderful time, the weather was so hot that we decided to only play 16 ends, we all managed to score and ended up second.

What a friendly Club they are and made us feel most welcome and are all looking forward to playing a return match with us on July 3lst.

Thank you all for your company and it was a really enjoyable afternoon.

Many thanks Margaret
