## Vice Patrons v Sussex County game Wednesday June 4th

A huge vote of thanks to Margaret and her team of helpers ensuring that the event was a success , indeed it was a huge success, raising almost £400 towards the club's funds, £125 of which was raised by the raffle thanks to the generosity of those who donated items for the prize table.

The visiting players were really lucky with the weather as the forecast was not that great for the day and thankfully no rain meant that they enjoyed their games, they also complimented us on the quality of our green and look forward to returning to our club in the not too distant future.

Without the help of the volunteers preparing the food and all of the housekeeping tasks, Steve, for running the bar, those that put out the equipment, and put it away again at the end of the day we would not be able to host such events, so well done to all involved.
