Dear Members,

Well, what can I tell you, (not a lot really), we played Motcombe Park away this afternoon in glorious sunshine in a beautiful location against very friendly people, and we had a really good laugh with them all, and that is the only positive thing I can think of, doh!

We were beaten by some considerable margins on two rinks, less so on one other and we won on one rink, well done and congratulations to Nigel, Mary and Michael, top rink today. We didn't even win anything on the raffle, you can bet your life I will not be buying a lottery ticket tonight and I have no doubt I will not win the club bonus ball either!

That's said, we had a lovely day, they hosted us very well, we all kept our sense of humour, everyone had an enjoyable afternoon and we played alongside Ernie, who drives the fastest milk cart in the west, well Eastbourne anyway!

Thank you all for playing today, and to look forward to tomorrow, when we play Rottingdean, can it be any worse I ask? Watch this space! I may now have to lie down in a darkened room for a while!!

Take care all.

Yours.

Clive
