Dear Members,

We played Seaford on the evening of 01st Aug and many of the members had to pull together to make the game work which I am thankful to you all. To those members who stepped in at the last minute, also to those who not only played but volunteered to do various other jobs, your efforts, hard work and support to the club and the captains was excellent, and we thank you very much.

Seaford are one of our closest ‘rivals’ and there are many faces we see year on year which lends itself to a friendly game, albeit competitive as well. This evening followed the same parameters, their team was friendly and competitive and we all had a very good game. That said, we peaked at the raffle beating them 3 wins to 2, but they sought their revenge on the green winning 3 rinks to 1, but it was a lovely evening. The weather held off, the green played very well indeed and there was lots of laughter between the teams.

Thank you, Tony and others for putting the kit out, June for organising the raffle and helping behind the bar, Nelly for preparing the teas and helping clear up, Peter N for playing and helping with the tea, Marsden for playing and running the bar with June, and all the players and skips for making sure everyone was looked after and the evening was a success. Thank you, Ray, for coming at short notice to play.

Yours aye

Clive
