Match against Hellingly Friday August 28th

An enjoyable afternoon but after taking a slim lead into the second half I'm afraid at the end we lost by 10 points. We won two games and lost three. The green was in much better condition than last year but because of heavy rain in the morning one rink was unplayable. Looking forward to next season when we hope we will be able to reverse today's result.

Score Hellingly 87 Peacehaven & Telscombe 77

Marsden.
