**Away Match against Southwick. August 27th 2026**

Peacehaven and Telscombe were up against a strong side from Southwick which had a few county players amongst their ranks. Although we were beaten we did win two of the four triples by small margins while the other two triples were lost by substantial margins. Everyone enjoyed the afternoon and the green played well after the heavy rain during the night. The return match is in a couple of weeks when it is hoped that Peacehaven & Telscombe will reverse yesterday's result.
