Ringmer Match 21st October 2026

The first Short Mat match of the season was played last week when Ringmer were our guests.
Ringmer is a well respected team and we were in no doubt that we faced strong opponents.

The game took the format of two teams of four players (from each side) and four games comprising nine ends each with the teams changing mats half way.

The Peacehaven Teams were Skippered by Peter Herman and Martin Donovan.

I'm pleased to say that our teams played very well which resulted in a win for Peacehaven by 51-26, an excellent result.

We look forward to the return match when I'm sure Ringmer will do their best to seek revenge.
